Subject: Update on Dangerous Dog Investigation

Date: 27 January 2026

Reference: CRM 1731/2026 - DOC2026/013415

Dear Councillor Madden

I refer to your enquiry regarding:

We had some correspondence some time back about a very dangerous dog at [REDACTED]

I believe the CCC Rangers visited the residence and the investigation is still ongoing?

Do we have any updates as the neighbours are very concerned with this particular animal in the community.

Council officers have investigated the subject matter and advise as follows:

Rangers are aware of the dog in question and have finalised their investigation since the last Councillor memo dated 2 October 2025. Appropriate action has been taken in accordance with the *Companion Animals Act 1998* and the *Companion Animals Regulation 2018*.

Please note a copy of this memo will be uploaded to the Council website.
