NATIONAL GENERAL ASSEMBLY - ATTENDANCE AND MOTIONS**

MOTION **Moved:** Councillor Hill **Seconded:** Councillor Palmowski
358

RESOLVED

1. That Council determine the voting delegate and attendees for the Australian Local Government Association 2026 National General Assembly to be Mayor Watton as voting delegate and Councillor Dunne as attendee.
2. That Council notes that no motions have been proposed by Councillors for submission for consideration at the Australian Local Government Association 2026 National General Assembly.
3. That Council endorse the regional motions identified by the Hunter Joint Organisation Board and that the following motions be submitted for consideration at the Australian Local Government Association 2026 National General Assembly:
 - a. This National General Assembly calls on the Australian Government to:
 - Directly support Local Government actions and strategic planning that address imminent and substantial job losses arising from large scale industry closures in regional economies rapidly transforming to net zero by directly investing in Council led, place-based initiatives that:
 - Identify future land-use options post mining and economic diversification opportunities to provide jobs of the future.
 - De-risk industry investment and strategically inform and accelerate industry attraction, skills development and job creation in mining regions.
 - b. This National General Assembly calls on the Australian Government to:
 - Lead systems reform for grant funding within Federal Government to:
 - Reform grant funding to non-competitive, multi-year block funding aligned to Local Government election cycles and Community Strategic Plans.
 - Build consistency in the governance frameworks, systems and documentation required across various funding programs to reduce the administrative burden on Local Government.
 - Improve the delivery of grant funding to councils across Australia to ensure equity.
 - c. This National General Assembly calls on the Australian Government to:
 - Update Federal road funding programs so they properly account for regional realities such as longer road networks, heavier freight use, and higher weather vulnerability.

- d. **This National General Assembly calls on the Australian Government to:**
- **Amend disaster recovery funding rules to allow repairs to council owned water and sewer infrastructure.**

WORKS AND INFRASTRUCTURE

WORKS AND INFRASTRUCTURE NO. WI1/2026

SUBJECT: INVESTIGATE OPTIONS TO REMOVE THE SHARED ZONE WITHIN COOPER STREET & CHARLTON STREET INTERSECTION

MOTION **Moved:** Councillor Jurd **Seconded:** Councillor King

1. That Council endorses the recommendation to install interim pedestrian crossings, remove the front-to-kerb parking for the Council owned car park adjacent Charlton Street and provide an alternate parking treatment to improve pedestrian safety, with funding from existing FY26 operational budgets;
2. That Council endorse the removal of the shared zone in Charlton Street and submit an application to TfNSW for removal of the shared zone and associated speed zone change;
3. That Council endorses the preferred option (Option 3) for the removal of the shared zone in Charlton Street with a report coming back to Council so that a staged implementation to improve pedestrian safety, manage traffic, reduce ongoing maintenance and provide adequate parking can progress as funding becomes available ; and
4. That Council supports the application for suitable grant funding to prioritise the remaining safety improvements once the shared relevant approval has been sought by TfNSW.

MOTION **Moved:** Councillor Jurd **Seconded:** Councillor King
367

RESOLVED

1. That Council notes the Director's commentary regarding the current reporting practices and acknowledges the intention to enhance clarity and accessibility, ensuring that both residents and councillors can easily see the amount of contributions in each section and better understand how developer contributions are collected and spent.
2. That Council further notes that community understanding of how developer contributions are collected and spent could be improved through clearer, more accessible reporting. This includes information on:
 - Total contributions received by financial year
 - Identification of projects funded (by suburb or catchment)
 - Timing and status of infrastructure delivery
 - Comparisons of forecast infrastructure costs vs actual costs
 - Any funding shortfalls and how they are to be addressed

RESOLVED

1. That Council acknowledges the increasing demand for short-term and crisis accommodation within the Cessnock Local Government Area, driven by housing affordability issues, domestic violence, and homelessness.
2. That Council recognises the critical role of State Government, particularly State Members covering Cessnock LGA in facilitating solutions to these pressing issues through partnerships with community housing providers and support services.
3. That Council requests that the General Manager write to State Members covering Cessnock LGA, urging their active engagement and support in addressing the housing challenges within our community.
4. That the correspondence include:
 - A request for a meeting to discuss the urgent need for temporary and modular housing solutions.
 - An invitation for State Members covering Cessnock LGA to collaborate with Council in exploring viable options for funding and resources to address the increasing demand for short-term accommodation.
 - An appeal for their assistance in advocating for state-level support and initiatives to enhance housing availability in the Cessnock LGA.
