- 10.2 Prior to the stage 1 construction certificate being issued, the Developer will provide security to the Council in the form of the Bank Guarantee for a face value equivalent to \$20,000.00
- 10.3 From the date of execution of this Agreement until the date that the Developer has provided all the Development Contributions in full for a stage, the Council will be entitled to retain the Bank Guarantee.
- 10.4 The Council may call upon the Bank Guarantee where:
- 10.4.1 the Developer has failed to make a Development Contribution on or before the relevant date for provision of the relevant Development Contributions under this Agreement; or
 - 10.4.2 the Developer has failed to ensure that at all times the value of the security held by the Council is for a face value equivalent to \$20,000.00.

and retain and apply such monies towards the costs and expenses incurred by the Council in rectifying any default by the Developer under this Agreement.

- 10.5 Prior to calling upon the Bank Guarantee the Council must give the Developer not less than 10

Business Days prior written notice.

10.6 If:

10.6.1 the Council calls upon the Bank Guarantee; and

10.6.2 applies all or part of such monies towards the costs and expenses incurred by the Council in rectifying any default by the Developer under this Agreement; and

10.6.3 has notified the Developer of the call upon the Bank Guarantee in accordance with clause 10.5.

then the Developer must provide to the Council a replacement Bank Guarantee to ensure that at all times until the date that the Developer has provided all Development Contributions in full, the Council is in possession of the Bank Guarantee for a face value equivalent to \$20,000.00

10.7 If:

10.7.1 the Developer has satisfied all of its obligations under this Agreement secured by the Bank Guarantee; and

10.7.2 the whole of the monies secured by the Bank Guarantee have not been expended and the monies accounted for in accordance with this clause 10.

then the Council will promptly (and by later than 10 business days) return the Bank Guarantee (less any costs, charges, duties and taxes payable), or the remainder of the monies secured by the Bank Guarantee (as the case may be), to the Developer.

10.8 Nothing in clause 10 prevents or restricts the Council from taking any enforcement action in relation to:

10.8.1 any obligation of the Developer under this Agreement; or

10.8.2 any associated liability, loss, cost, charge or expense directly or indirectly incurred by the Council because of the failure by the Developer to comply with this Agreement,

that is not or cannot be satisfied by calling on a Bank Guarantee.

Construction Certificate

10.9 For the purposes of section 109F(1) of the Act and clause 146A of the Regulation, the following requirements under this Agreement must be satisfied prior to the issue of any Construction Certificate for any part of the Development:

10.9.1 Registration of this Agreement in accordance with clause 11 of this Agreement; and

10.9.2 Provision of a Bank Guarantee in accordance with this clause 10.

Subdivision Certificate

10.10 For the purposes of section 109J(1)(c1) of the Act, the requirement under and in accordance with this Agreement to provide Development Contributions for a Stage of the Development must be satisfied prior to the issue of any Subdivision Certificate for that Stage of the Development.

10.11 The Developer must only seek and obtain any Subdivision Certificate for that Stage of the Development from the Council.

10.12 Without limiting any other remedies available to the Parties, this Agreement may be enforced by either Party in any court of competent jurisdiction.

10.13 For the avoidance of doubt, nothing in this Agreement prevents:

10.13.1 a Party from bringing proceedings in the Land and Environment Court to enforce any aspect of this Agreement or any matter to which this Agreement relates; or

10.13.2 the Council from exercising any function under the Act or any other act or law relating to the enforcement of any aspect of this Agreement or any matter to which this Agreement relates.

11. Registration of this Agreement

11.1 The Developer represents and warrants to the Council that on the date of this Agreement it is the registered proprietor of the Land.

11.2 The Developer agrees to procure registration of this Agreement on the relevant folios of the Register pertaining to the Land as soon as practicable following the commencement of this Agreement in accordance with clause 4.

11.3 The Developer will at its own expense, promptly after the execution of this Agreement, take all practical steps and otherwise do anything that the Council reasonably requires to procure:

11.3.1 the consent of each person who has an estate or interest in the Land registered under the *NSW Real Property Act 1900* or each person who is seized or possessed of an estate or interest in the Land;

11.3.2 the execution of any documents; and

11.3.3 the production of the relevant duplicate certificates of title,

to enable the registration of this agreement in accordance with clause 11.2.

11.4 The Developer at its own expense will take all practical steps and otherwise do anything that the Council requires:

11.4.1 to procure the lodgement of this Agreement with the Registrar-General as soon as reasonably practicable after this Agreement is executed but in any event, no later than 40 business days after that date;

- 11.4.2 to procure the registration of this Agreement by the Registrar-General in the relevant folios of the Register for the Land as soon as reasonably practicable after this Agreement is lodged for registration.
- 11.5 The Council agrees that on payment of the required Development Contribution for any part of the Land, Council will promptly provide its release and discharge of this agreement from that part of the land concurrently with the release of the Subdivision Certificate for the stage, all notation of the registration of this Agreement shall be removed at the Developer's cost from the title to each Final Lot created by the plan of subdivision.
- 11.6 The Developer acknowledges and agrees that:
- 11.6.1 when this Agreement is executed by the Developer, the Council is deemed to have acquired and the Developer is deemed to have granted, an equitable estate and interest in the Land for the purposes of section 74F(1) of the *Real Property Act 1900* and consequently the Council will have a sufficient interest in the Land in respect of which to lodge with the LPI a caveat notifying that interest
- 11.6.2 it will not object to the Council lodging a caveat in the relevant folio of the Register for the Land nor will it seek to remove any caveat lodged by the Council provided the caveat does not prevent registration for any dealing or plan other than a transfer.
- 11.7 The Council must, at the Developer's cost, register at the LPI a withdrawal of any caveat in respect of the Land within 5 business days after the Developer complies with clause 11.2 and must not lodge any other caveats on the titles to any of the Land, providing the withdrawal of the caveat will only apply in respect of such parts of the Land in respect of which registration of this Agreement is procured.
- 11.8 If the Developer requests a release and discharge of this Agreement from the title to any part of the Land as part of or following any subdivision, the Council must promptly provide that release and discharge within 10 Business Days regardless of whether the Developer's obligations under this Agreement in respect of that part of the Land have been satisfied. However, the Council may require the Developer to provide an alternative form of security as is reasonably necessary to secure any outstanding obligations under this Agreement in respect of that part of the Land over which the release and discharge is given.

12. Assignment and Sale of Land

- 12.1 Subject to clause 12.2, the Developer must not sell, transfer, assign or novate, or similarly deal with its right, title or interest in the Land or any part of the Land, or allow any interest in the Land to arise or be varied without first obtaining the Council's consent (acting reasonably) to the sale, transfer, assignment, novation or other dealing.
- 12.2 The Developer may sell, transfer, assign or novate, or similarly deal with its right, title or interest in the Land, or any part of the Land, or allow any interest in the Land to arise or be varied, in each case, without Council's consent only if this Agreement is registered on the relevant folios of the Register pertaining to the Land in accordance with clause 11, and::
- (a) prior to any such sale, transfer, assignment or novation the Developer has given

Council no less than 14 days' notice in writing of the proposed Dealing; and

- (b) any default by the Developer under any provisions of this Agreement has been remedied by the Developer or waived by the Council on such conditions as the Council may determine, acting reasonably; and
- (c) the Developer delivers to the Council a novation deed in a form and of such substance as is acceptable to the Council, containing provisions under which the transferee agrees to comply with all the outstanding obligations of the Developer under this Agreement, unless no obligations under this agreement are to be noted.

12.3 Nothing in clause 12.1 or clause 12.2 prevents a transfer of Final Lots created from the Land by registration of a plan of subdivision at LPI if at the time of transfer, the Developer has complied with the relevant terms of this Agreement.

13. Review of this Agreement

13.1 This Agreement may be reviewed or modified in accordance with the Act and by the agreement of the Parties.

14. Dispute Resolution

14.1 Except as otherwise specifically provided by this Agreement, should a dispute arise under this Agreement, the Parties shall firstly meet in an attempt to resolve the dispute.

14.2 If the dispute is not resolved within 28 days of the date that a Party first raises the issue about which there is dispute, the Parties must mediate the dispute in accordance with the Mediation Rules of the Law Society of New South Wales published from time to time and must request the President of the Law Society, or the President's nominee, to select a mediator.

14.3 If the dispute is not resolved by mediation within a further 28 days, or such longer period as may be necessary to allow any mediation process which has been commenced to be completed, then the Parties may exercise their legal rights in relation to the dispute, including by the commencement of legal proceedings in a court of competent jurisdiction in New South Wales.

15.4 If any notice, consent, information, application or request is delivered, or an error free transmission report in relation to it is received, on a day this is not a business day, or if on a business day, after 5pm on that day in the place of the Party to whom it is sent, it is to be treated as having been given or made at the beginning of the next business day.

16. Approvals and Consent

16.1 Except as otherwise set out in this Agreement as required by law, and subject to any statutory obligations, a Party may give or withhold an Approval or consent to be given under this Agreement in that Party's absolute discretion and subject to any conditions determined by the Party.

16.2 A Party is not obligated to give its reasons for giving or withholding consent or for giving consent subject to conditions.

17. Costs

17.1 The Developer will pay the Council's reasonable costs of preparing, negotiating, executing, stamping and registering this Agreement and any document related to this Agreement.

18. Entire Agreement

- 24.2 If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Agreement, but the rest of this Agreement is not affected.

- 26.2 A waiver by a Party is only effective if it is in writing.
- 26.3 A written waiver by a Party is only effective in relation to the particular obligation or breach in respect of which it is given and is not to be taken as an implied waiver of any other obligation or

27. GST

Note: Under *A New Tax System (Goods and Services Tax) (Exempt Taxes, Fees and Charges) Determination 2011*, development contributions required to be paid or made under planning agreements in accordance with the Act are not consideration for any supply made.

Adjustment Note, Consideration, GST, GST Group, Margin Scheme, Money, Supply and Tax Invoice have the meaning given by the GST Law.

GST Amount means in relation to a Taxable Supply the amount of GST payable in respect of the Taxable Supply.

GST Law has the meaning given by the *A New Tax System (Goods and Services Tax) Act 1999* (Cth).

Input Tax Credit has the meaning given by the GST Law and a reference to an Input Tax Credit entitlement of a Party includes an Input Tax Credit for an acquisition made by that Party but to which another member of the same GST Group is entitled under the GST Law.

Taxable Supply has the meaning given by the GST Law excluding (except where expressly agreed otherwise) a supply in respect of which the supplier chooses to apply the Margin Scheme in working out the amount of GST on that supply.

27.2 Subject to clause 27.4, if GST is payable on a Taxable Supply made under, by reference to or in connection with this Agreement, the Party providing the consideration for that Taxable Supply must also pay the GST Amount as additional Consideration.

27.3 Clause 27.2 does not apply to the extent that the Consideration for the Taxable Supply is expressly stated in this Agreement to be GST inclusive.

27.4 No additional Consideration shall be payable by the Council under clause 27.2 unless, and only to the extent that, the Council (acting reasonably and in accordance with the GST Law) determines that it is entitled to an Input Tax Credit for its acquisition of the Taxable Supply giving rise to the liability to pay GST.

27.5 If there are Taxable Supplies for Consideration which is not Consideration expressed as an amount of Money under this Agreement by one Party to the other Party that are not subject to Division 82 of the *A New Tax System (Goods and Services Tax) Act 1999*, the Parties agree:

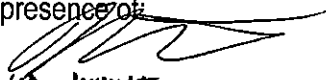

27.5.1 to negotiate in good faith to agree the GST inclusive market value of those Supplies prior to issuing Tax Invoices in respect of those Supplies;

27.5.2 that any amounts payable by the Parties in accordance with clause 27.2 (as limited by clause 27.4) to each other in respect of those Supplies will be set off against each other to the extent that they are equivalent in amount.

- 27.6 No payment of any amount pursuant to this clause 27, and no payment of the GST Amount where the Consideration for the Taxable Supply is expressly agreed to be GST inclusive, is required until the supplier has provided a Tax Invoice or Adjustment Note as the case may be to the recipient.
- 27.7 Any reference in the calculation of Consideration or of any indemnity, reimbursement or similar amount to a cost, expense or other liability incurred by a Party, must exclude the amount of any Input Tax Credit entitlement of that Party in relation to the relevant cost, expense or other liability.
- 27.8 This clause continues to apply after expiration or termination of this Agreement.
