

## Wollombi Road Upgrade: Extension of Saturday work hours

1 September 2025

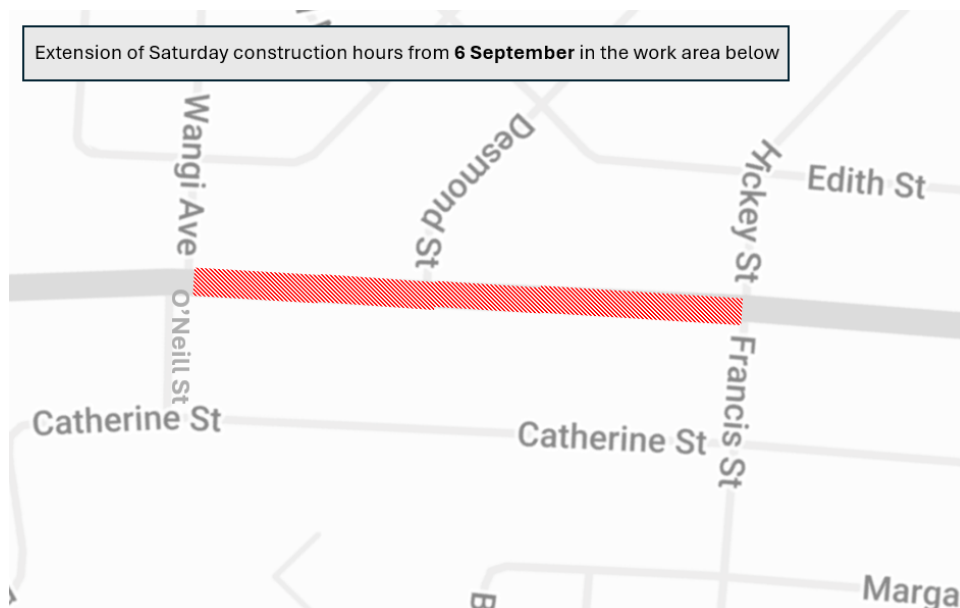

### Zone 3 extension of Saturday work hours from 6 September

#### What you need to know:

- We will be working extended construction hours on **Saturdays from Saturday 6 September** (weather permitting)
- Standard construction hours of 8am to 1pm on a Saturday will be extended to **7am to 5pm for approximately 4 weeks**

Working additional hours over the weekend will allow us to complete important water main work sooner, helping to minimise disruption for residents and road users.

We understand that extended work hours may cause inconvenience, and we appreciate your patience and understanding as we work to improve road safety and traffic flow in the area.

#### Upcoming weekend work between O'Neill St & Francis St

- Works:** We will be continuing excavation and installation of water mains. Equipment will include excavator, compaction tools, hand tools, and trucks.
