

## Wollombi Road Upgrade: Community Notice

21 July 2025

### Zone 3 Temporary closure of O'Neill Street

#### What you need to know:

- From Monday 28 July, access to O'Neill Street at the intersection of Wollombi Road will be temporarily closed
- Wangi St remains closed
- All other streets remain open

### Upcoming temporary closure of O'Neill Street

**Work:** As part of our planned nightworks, we will be installing safety barriers at the end of O'Neill Street on **Monday between 7pm and 5am**. Equipment will include hand tools, lighting towers, excavators and trucks.

**Why:** Temporarily closing O'Neill Street will enable works including deep water main and stormwater works in the coming weeks. This will also allow for temporary resident parking for those who will lose access to their driveways during planned works. The night work is necessary to ensure safety of the public and minimise overall project impacts.
