

## Wollombi Road Upgrade: Community Notice

24 July 2025

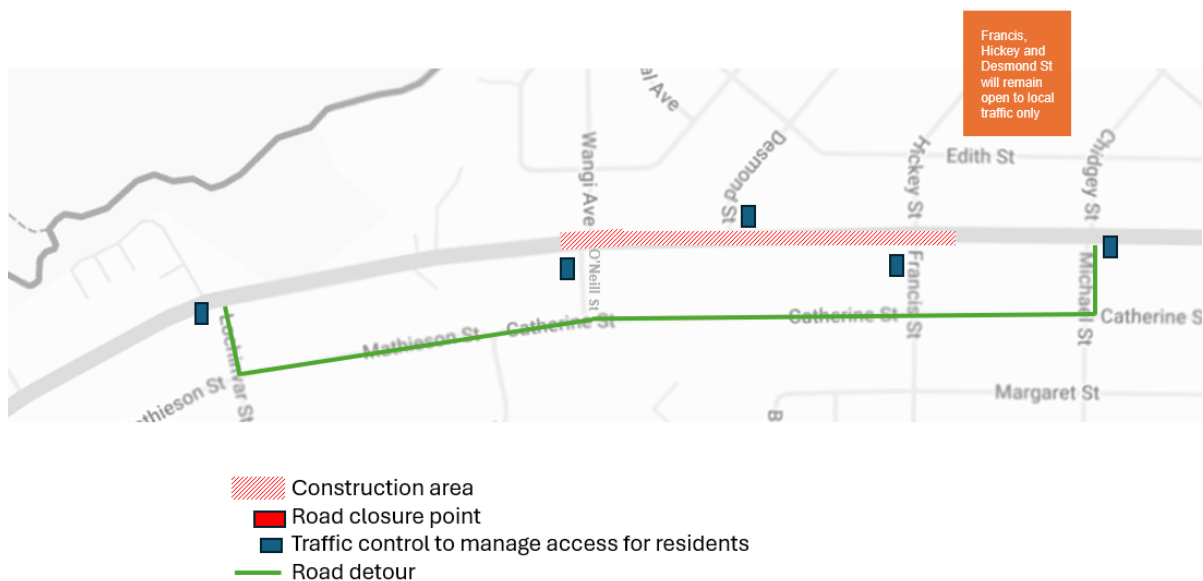

### Zone 3 Traffic changes to commence 31 July

What you need to know:

- Night works and traffic diversions will occur on Thursday 31 July to install safety barriers
- Construction zone to be established in West bound lanes (Wangi to Hickey)

### Upcoming night work and temporary closure of Wollombi Road

- Thursday 31- July 2025 (1 night) (weather permitting)
- 7pm to 5am

**Works:** We will be installing safety barriers, completing line marking and working on two water main crossings between O'Neill Street and Francis Street. Equipment will include hand tools, lighting towers, excavators and trucks.

**Why:** The night works are necessary to ensure safety of the public and minimise overall project impacts by installing the complete road crossings.

**Street parking:** Parking on Wollombi Road along the construction area has been temporarily removed. Travel lanes are being repositioned to facilitate the upgrade work.

**Speed limit:** Reduced to 40km/h in the construction zone

**Driveway access:** There will be temporary impacts to some driveway access when works within the construction areas commence. Please follow the access signage once installed.

**Pedestrian access:** Will be maintained at all times

**Garbage collection:** Please place your bins out as usual, and our team will ensure they get emptied and returned. If any changes occur, we will let you know in advance.
