MAYOR'S MESSAGE

It's with great excitement that I welcome you to the 2026 Seniors Festival in the Cessnock Local Government Area. This wonderful celebration is an opportunity to honour our Seniors and showcase the vibrancy of our community, through over 60 diverse events hosted by more than 20 local organisations and services.

This year's theme, Live Life in Colour, is particularly fitting as it invites our Seniors to embrace their unique contributions, talents, and stories. The Festival's program is rich with opportunities to connect and engage — through arts, music, heritage, Aboriginal culture, health initiatives, lifelong learning, and other special interest activities.

The success of this Festival is a testament to the strong partnerships between Council and the many organisations that help bring this event to life. From providing venues and facilities, to promotion and volunteering, their collaboration reflects the generosity and spirit of our community.

I would like to extend my thanks to our local sponsors, especially our gold sponsors: Calvary Retirement Community, Campbell Lifestyle Estate by Lincoln Place, Cessnock Plaza Day Night Pharmacy, Creightons Funeral Service, Green Ridge Hunter Valley, KFC, Northern Coalfields Community Care Association, Priceline Pharmacy and The Hermitage. Your support ensures that the Festival continues to expand and thrive each year.

The Senior's Festival is a fantastic chance to reconnect, make new memories, and celebrate the wonderful community we share. I look forward to joining you at this year's festivities!

**Cessnock City Mayor
Councillor Dan Watton**

AMBASSADOR'S MESSAGE

A colourful welcome to the "Live Life in Colour" 2026 Seniors Festival.

As the serving Senior Citizen of the Year in 2025, and involved in this Local Government Area (LGA) for over 30 years within Cessnock Lions Club and the Cessnock Men's Shed, I am fully aware of the vital role Seniors' play in volunteering and giving something back to communities.

They engage in social interaction, keeping their minds and spirits active, and lead an improved health and wellbeing approach to Living Life.

Our program of events highlights many colourful places and activities available for you during the festival.

So, Seniors, young and old, come and enjoy all that is on offer and celebrate the role that you all play in our vibrant LGA.

I look forward to catching up during the 2026 Seniors Festival to Live Life in Colour with you all.

**Peter Torenbeek
2025 Cessnock Senior Citizen
of the Year**

ACKNOWLEDGEMENT OF COUNTRY

Cessnock City Council acknowledges that within its Local Government Area boundaries are the Traditional Lands of the Wonnarua people, the Awabakal people and the Darkinjung people.

We acknowledge these Aboriginal peoples as the Traditional Custodians of the land on which our offices and operations are located, and pay our respects to Elders past, present and future.

We also acknowledge all other Aboriginal and Torres Strait Islander people who now live within the Cessnock Local Government Area.

5

WAYS TO WELLBEING

Research from around the world shows that you can improve your wellbeing and happiness by doing five simple things as part of your day: connect, be active, take notice, keep learning and give.

Doing these five actions can help you cope better with stress and to live longer, happier and healthier, in ways that are good for you and others! So regardless of how well, young or old

you are, everyone can benefit from giving the 5 Ways to Wellbeing a try. It can cost nothing and is easier than you think!

It was important for us to provide opportunities to inspire you to use this framework, hence next to every event in this program, you will see how it can help you improve your wellbeing and happiness.

Each activity has been explained for you below:

Connect

Connecting with people; participation in the community

Be Active

Engage in physical activity; be active in making positive health decisions

Take Notice

Take time to be mindful of surroundings; listen and support people

Keeping Learning

Be a learner; gain knowledge; be inquisitive; learn new ways of doing things

Give

Volunteering within the community
